- *Means "on request." Please ring the Ferry Master to be picked up, or tell the Ferry Master to drop you at these wharves when paying your fare. The trailing time is indicative only.
- Times shown are the earliest that the ferry will leave the wharf. Please be at the wharf at least 5 minutes early.
- Every effort is made to keep to times shown, however, actual times are affected by prevailing wind strength and direction, tide, visibility, number and agility of passengers, and number and location of wharves already serviced.
- The Ferry Master reserves the right to not dock at a wharf if they consider it unsafe to do so.
- Please use the flags provided at the wharves. If travelling from Lovett, Elvina (North and South) or Halls wharves in off-peak times it is advisable to ring the Ferry Master to indicate you wish to be picked up.
- If the Ferry Master does not answer the mobile phone it is probably because they are in a radio shadow or busy docking at a wharf. Please ring again in 5 minutes.
